Allowable Subject Matter

Claims 14, 15 and 17-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 14 and 19 are allowed because the art of record, considered alone or in combination, neither anticipates nor renders obvious a multinip calender comprising: a second relief cylinder structure within the same multinip calender, wherein the second relief cylinder structure has a second auxiliary piston of *a length different than the first length* of the first auxiliary piston, in combination with the rest of their respective claimed limitations.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
